HEALING YOUNG PEOPLE'S COUNCIL

In January this year Healing YPC put on their sixth annual Pantomime, two evenings of family entertainment in the village to brighten up a gloomy winter.

Over 45 young people performed, moved scenery, worked the lighting and sound equipment and directed their Pantomime - Joe, and his amazing technicolor beanstalk.

This year the show was produced and directed by members of the YPC. Once again they did all the choreography, organised the costumes, props and scenery.

A huge thank you to Healing Primary and Healing Secondary schools for their support in providing rehearsal space and a venue for the performances.

Thank you to our parent helpers, Gale and Paul Godfrey, Heidi Potter, Emmi Garside and Duncan Winn. A special mention to Mr Crosby from Healing School - a Science Academy who never thinks any of our ideas are bonkers and is always a massive support and help to us.

The performance was, as always entertaining and funny, the whole cast had such a wonderful time rehearsing and performing the show. I have so much pride in these young people who are not all actors, singers or performers. They are so dedicated and have such enthusiasm that I am always in awe of them.

The raffle money for the two evenings will be donated to a project close to the hearts of the YPC as four of its members are part of the group. Precious Angels are a Lifestyle group who have renovated the Garden of Remembrance at the Princess Diana hospital and we are thrilled to be giving £250 to them to help maintain it for the future.

Well done to all the cast and crew and thank you to those of you who came along and enjoyed the show with us.

HEALING HOTSPURS VOLUNTEER COACHES NEEDED

We have several young players that have been training with us for a while and are looking to progress to playing matches in a team, however, they have been unable to make this step forward due to a lack of coaches.

Specifically, we are looking for a coach to run the following teams for next season:

- Under 7
- Under 8
- Girls U11/12

If you are interested or would like more information please contact Richard Winship 07933 769 796. Thanks

There have been a couple of outstanding results recently. Our U9s

beat Discoveries Warriors, who hadn't been beaten since October, 3 – 2, thanks to a late headed (a rarity at that age) winner by Harry Jackson.

The U12 Lockit-Safe boys had a superb penalty shoot-out cup victory against league leaders, The Lounge. The League, in their wisdom, insisted the game be replayed as extra-time hadn't been played in accordance with competition rules. Against the odds, the boys won the re-match, ironically, after extra-time.

As our U16s approach the business end of the season they are involved in a tense race for the League title with 5 teams currently separated by 3 points

CHRISTINGLE

The Christingle held in November in The New Outlook at The Parish Church raised an amazing £215.35 in aid of The Childrens' Society. Helping young people living on the streets etc.

Thankyou to all who helped in any way. I'd like to particularly thank the primary school children who entertained us with Christmas music and the cubs who said prayers.

Dear Householder,

Archaeology Project - Healing

The North East Lincolnshire Archaeology and Local History Society in October 2016 were contacted by Cambridge University's "Access to Cambridge Archaeology" to join them in a garden dig project to be undertaken in conjunction with local schools, through Ormiston Maritime Academy, and a project has been arranged to carry out a garden dig in Old Clee village in May, 2017. As part of this project we would like to carry out a second dig in a village near to, but not closely attached to Grimsby and after discussion, Healing seems a perfect choice with its location and known history.

This project would give us the opportunity to carry out a larger scale project and we would invite you to take part in this by agreeing to us to dig a one metre square test pit at an agreed place in your garden.

This work would be undertaken by students and members of our Society, under the direction of members of staff from Cambridge University and the schools involved. We would also like you to have the opportunity to take an active part in this should you wish.

On completion of the dig participating students will attend Cambridge University and prepare a report on their work and findings. This information will be available to us locally and you will be provided with a copy of the report.

The project will be funded by "Access Cambridge Archaeology", who with the schools will be responsible for the students and to ensure the gardens are restored to their pre-dig state on completion of the dig. Our Society in conjunction with Emma Lingard will be the local contact and co-ordinators for the project. It is proposed to carry out this work on Wednesday 28th and Thursday 29th June 2017. If you would like to take part in this interesting project please contact me on 01472 236827. A meeting will be held to which all householders wanting to take part will be invited. This will give us the opportunity to explain the project in great detail and offer advice on archaeology excavation techniques.

Kind regards
Hon. Chairman

P.S.

Please do not hesitate to contact me on 01472 236827, or e-mail david.robinson13@ntlworld.com or Emma Lingard elingard@virginmedia.com telephone 0778 886 5191.

PARISH COUNCIL VACANCIES

Due to recent resignations of Cllr. Hasthorpe, Cllr. Wilson and Cllr. Dickerson, the Parish Council now has 8 current casual vacancies on the Council. The Council obviously needs to consider coopting new members to increase the member numbers. There are two definite candidates who have put themselves forward for March but this will still leave existing vacancies.

The Parish Council would therefore ask anyone who might have considered joining the Council to come along to its next meeting, Tuesday 14th March at 7.00pm, see what the Council does, meet the remaining members and think about standing for cooption. Parish Council members come from all walks of life and a good cross selection of residents, from those who are retired, professionals to full time parents, help shape the Council and form a good representative body from people living in our Village.

The meetings are always held on the second calendar Tuesday of each month up at the Village Hall and this is the commitment members have to make, to attend the majority of the meetings. The Parish Council is consulted on all highways matters, all planning applications within the village and as you may have read, is now taking on the management of the local parks within the Village. It also owns and runs the Village Hall and owns several land sites within the Village which it is responsible for maintaining.

If you are interested but would like an informal chat before attending a meeting, please contact one of the remaining Council members or the Clerk for an informal, no-obligation private chat.
