Cllrs. x 2 Ward Cllrs.

2. Chairman's Report and presentation of the Annual Parish Council Report for 17/18

Circulated to everyone. Thanked Clerk for producing the report. Chairman thanked his 8 colleagues for their hard work put in for the year. Highlighted the village hall and good figures. O/s matters, green space on Quantock gardens. Parks and significantly they are fulsome with praise for the green. Financial situation sound although we are committed to extra expenditure for local groups, and the chapel footpath resurfacing. Chasing up the youth council and committed to trying to get that off the ground again, and equally the neighbourhood watch.

Only other thing is that we should personally record our thanks to the folk who we employ – advice and support is invaluable but also the village hall staff who do far more than they are obliged to do. Litter picker also.

3. Ward Cllrs'/NELC Report

4. Matters raised by members of the public

Grass cutting. Quarter back of sign off.

Mary - The Avenue. Verges.
